

Certificate

Conformity of the factory production control

according Regulation 305/2011/EU: System 2+

Certificate number: **0035-CPR-B616**

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation - CPR), this certificate applies to the construction product:

Scope: **EN 15088 Aluminium and aluminium alloys - Structural products for construction works - Technical conditions for inspection and delivery, see Annex**

Name and address of the manufacturer: **ALVANCE Aluminium Duffel BV
A. Stocletlaan 87
2570 Duffel, Belgien**

Manufacturing plant: **ALVANCE Aluminium Duffel BV
A. Stocletlaan 87
2570 Duffel, Belgien**

Specification: This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s):

EN 15088:2005

under system 2+ are applied and that the factory production control fulfills all the prescribed requirements set out above.

Validity period: This certificate was first issued on 14.02.2014 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonized standard used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly, but not longer than 14.03.2024.
