## Declaration

I, the undersigned, Pieter Deleu, lead auditor by TÜVSÜD, in charge of the recertification process of the company **Aluminium Duffel BV**- Adolf Stocletlaan 87 in Duffel in Belgium attest that the plant in Duffel-Belgium has been re-audited on date of 25 and 27 April 2022 following the PED 2014/68/EU annex I § 4.3 and the Code AD2000 W0 with the Notified body TÜV SÜD Industrie Service GmbH, Westendstr. 199, D-80686 München.

The Audit result is positive

The notified Body has been informed about the positive result. Due to COVID 19 and a currently very high volume of work in the certification body for materials and welding technology, the processing of the documents and inquiries received will take some time. We ask for a little patience. Actual the new certificate and scope will be issued by the Notified Body, foreseen for End of May 2023.
